Dear Parents,

We want to clarify a few questions we have been getting regarding the dance, piano and karate program. First, all three programs WILL BE OFFERED throughout the year. If a child is enrolled in karate, he/she will be able to keep taking classes and work towards his/her belt throughout the year without any breaks if he/she chooses to do so.

Second, we will have four classes a month for all the above activities. During months in which there are five weeks, the fifth week in that month will be used for any make-up sessions. There will be no class during Christmas holidays and Spring Break.

If a class is cancelled for unforeseen circumstances, a make-up class will be arranged. All updates and changes regarding any of these activities will be available on the school's website. Please check the website periodically to look for any changes or make-up classes.

If you have any further questions, please contact the office.

Sincerely,

Meadow Oaks Academy
