ACH and Credit Card Payment Option

Dear Parent,

In our ongoing commitment to deliver the best education services, we continue to look for ways to add new services.

Starting 2009 School Year we have added options that will allow you to automatically pay your school payment via automatic debit from your checking or savings accounts. You will also have an option to pay through credit card but a surcharge will be applied to all credit card payments.

We received several requests last year to add the above features and feel it would be a welcome addition to our center. We encourage you to review the attached Parent Authorization Form and sign up.

All ACH(Checking and Saving Accounts) payments will be handled by Tuition Express and Credit Card payments will be handled by PayPal.

- Tuition Express and PayPal payments make all your information safe and secure.
- Automatic payments can be safer than writing checks each [week, month, etc], eliminating potential fraud or identity theft.
- All Credit Card transactions will have a 4% surcharge.
- Your current payment schedule won't change.
- You can be instantly notified by email when your payment has been processed (using the tuitionexpress.com service or PayPal service)
- Avoid any late fees on your accounts as with ACH or Credit Card payment you will always pay on time.

Please return your completed Parent Authorization Forms of either ACH payment or Credit Card payment if you wish to use these services.

Sincerely,

Meadow Oaks Academy
